Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:
2. Per the instant office action, claims 1 – 4, 6 – 11, 13 – 18, 20 – 25, 27 – 32, 34 – 38, 40 – 47, and 49 – 57 are considered as allowable subject matter.

The primary reasons for allowance of claims 1, 9, 16, 23, 30, and 44 in the instant application is the combination with the inclusion in these claims of the limitation "defining groups of virtual construct intervals, wherein said virtual construct intervals represent predetermined ranges of data values and correspond to specific bit positions in bit map vectors" and together with the limitation "determining predicate intervals, wherein said predicate intervals represent specified ranges of data values from continual queries".

The primary reasons for allowance of claim 37 in the instant application is the combination with the inclusion in these claims of the limitation "a plurality of bitmap vectors which define groups of virtual construct intervals wherein said virtual construct intervals represent predetermined ranges of data values and correspond to specific bit positions in said bit map vectors" and together with the limitation "a predicate insertion handler adapted to insert predicate intervals into said bit map positions of at least one of said groups of said virtual construct intervals wherein said predicate intervals represent specified ranges of data values from continual queries".

The prior art of record neither anticipates nor renders obvious the above-recited combinations.

Art Unit: 2162

Dependent claims 2 – 4, 6 – 8, 10 – 11, 13 – 15, 17 – 18, 20 – 22, 24 – 29, 31 – 36, 38, 40 – 43, 45 – 47, and 49 – 57 are allowable at least for the reasons recited above as including all of the limitations of the allowable independent base claims upon which they depend.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
